Arbor Day Celebration at the Ashfield Middle School

Mayor Balzotti to plant a tree for the annual Arbor Day Celebration

BROCKTON- Mayor Linda M. Balzotti and the Brockton School Department invite you to join them for a tree planting ceremony and an Arbor Day Celebration. This year's annual Arbor Day celebration will be held this Friday, April 30, 2010 at 10:00 a.m. at the Ashfield Middle School on 225 Coe Road, Brockton.

In recognition of the importance and positive impact that trees have on our community and its environment, this Arbor Day celebration will feature the planting of a tree by Mayor Balzotti. In Addition, the Ashfield Middle School will raise the Arbor Day Flag in recognition of this day.

Since it first received the designation in 1998, every year the City of Brockton has been recognized by the National Arbor Day Foundation as a "Tree City USA." Brockton will continue its efforts to promote the importance of trees in our community through the on going residential tree planting program administered by the Department of Public Works and through its annual Arbor Day celebrations.

For more information concerning this event, please contact the Mayor's Office at (508) 580-7123. You can also obtain additional information by visiting the City of Brockton's website at www.brockton.ma.us.
